

From the Director

For those of you who are supporting members, and those who are considering becoming members, let me assure you that the money is well spent. A concert at the Pavilion costs on average \$800. Corporate Sponsors pay for the Pavilion rental fee, and your donations pay for the music. This is just one example of how your money is used for the Montrose Community Band. I am so thankful for our present members and hope others will consider membership soon.

Carl Bivins

P.S. If you would like to play in the band, we rehearse most Mondays at 7 p.m. in the band room of Montrose High School.

A Message From the Band President

As we complete our third full year, I would like to express my personal gratitude to all of those members who have helped make the dream a reality. I am sure the board and the band as a whole would join me in thanking all of the generous non-musician members who have contributed to our success. Because of your support, we are able to continue putting on our concerts free of charge to the public and have expanded our library with some challenging and enjoyable music. We hope you have enjoyed our progress and ask you to consider being a continuing part of our growth. We look forward to hearing from all of you who have helped up to this point and to welcoming new members to the family.
