

From the Director

Dear friends and colleagues:

Thank you so much for your support and participation. The money you so graciously donate goes toward things such as the Pavilion rental fee, new music, uniforms, and concert publicity. Your generous contributions help fund the joyous music that uplifts the spirits of the community. Please consider a contribution this year and keep the music going! When words are not enough, music speaks clearly.

Andrew King

P.S. If you would like to play in the band, we rehearse most Mondays at 7 p.m. in the band room of Montrose High School.

A Message From the Band President

I am both grateful for, and continually amazed by, the support the band has in the community. Our concerts are always well attended, people continually tell members of the band how we did in our last concert, and our membership roster continues to expand. I hope that you, as a supporting member, derive the same satisfaction from the band that I and the other musicians do. We are indebted to your generosity and will continue to provide the best entertainment possible. The only thing I would add is this: If you ever played an instrument and have even vaguely thought about getting back into music, now is a great time. We never have enough musicians. -- *Lyle Miller*
