New Business

- Herb proposes that the board meetings be moved to after rehearsals instead of on a separate night. It was also proposed to meet only 8 times per year; there are times when a meeting is not really necessary right after a concert. The bylaws will need to be amended and the band vote on it. Herb will write the amendment.
- Jim Gibson asked if the board wanted him to continue scheduling rehearsals and they all agreed; he has the best rapport with the Pavilion.
- Sonja Miller was elected to the Music Selection Committee.
- Yvonne McChesney will continue handling the uniforms and website.

Meeting adjourned at 8:55 p.m.
